#### (G) Body attachments.

(1) The court may issue a writ of attachment if:

(a) a rule to show cause pursuant to I.C. 34-47-3-5 has been issued by the court and served upon the judgment debtor by delivering a copy of the same to the debtor personally;

(b) if service is not made in open court, the person making service has filed a return or affidavit stating that personal service was made upon the debtor and setting forth the time, place, and manner thereof; and

(c) the judgment debtor has failed to appear at the rule to show cause hearing as ordered.

(2) In addition to the requirements of IC 34-47-4-2, the writ of attachment shall contain sufficient information to identify the judgment debtor.

(3) A judgment debtor taken into custody on a writ of attachment must be brought before the court not later than the next business day following the debtor being taken into custody.
